

Aqua class

Welcome to Aqua class's monthly newsletter.

Aqua class have had a very busy March. We have been taking part in the D of E triathlon, swimming sessions and everyone is looking forward to our Triathlon day when we will be swimming, running or walking and cycling. In our D of E Forrest school sessions, we have been using a saw horse to cut discs, cooking burgers, crumpets and marshmallows on an open fire. We have also made sling shots. It has been great fun!

We had a visit from Jane from Job Centre Plus. She worked with us to show us how to set up an account on line to be able to access apprentices.
