

# Charcoal Class Monthly Update: March 2024

## World Book Day & Careers Advice

### Thursday 7<sup>th</sup> March World Book Day

First in Charcoal class, we started the day being shocked! We walking in and saw 'The Cat in the Hat' sitting in the chair, instead of Miss Mayes.

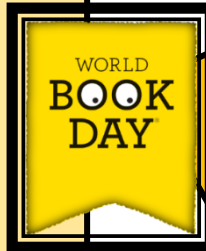

Next, we looked at some of the books we had bought in to school and talked about and shared some of our favourites. Then we went on a hunt around the school looking for book quotes and working out which story they came from. Before lunch we finished writing our own endings to the class book Mr Stink.

After lunch Charcoal class watched a short film version of the book Mr Stink. We had really enjoyed reading it and it was funny seeing the characters looking differently to how we had imagined them. Finally, we watched the 'Masked Reader' videos and tried to work out who they were. One was very tricky as the voice was completely different.

### Job Centre Plus

Last week Jane from Job Centre Plus (JCP) came in to school to talk to Charcoal class. Jane looked at students' transferrable skills and helped them to identify the ones they already have. Students thought about the qualities and the skills they have and asked questions about various jobs they might like to do when they leave school and college.
