## Parent Governor Vacancy

Dear Parents /Guardians,

We have a vacancy for a **parent governor** which we need to fill as soon as possible. Hollywater School aims for a partnership with parents / carers, which undoubtedly brings great benefits to the children of the school. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor.

### **The governing body's main tasks are:**

- to ensure that the school has a clear vision, ethos and strategic direction;
- to hold the headteacher to account for the educational performance of the school and its pupils;
- to oversee the financial performance of the school and making sure its money is well spent.

Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing body is aware of the views of parents and the local community. We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

We warmly welcome applications from individuals with caregiving responsibilities, including parents, carers, guardians, and those in kinship care roles. We recognize and value the unique perspectives and strengths that caregivers bring.

Training and support will be available to help you develop into the role. This will include in-house mentoring and support as well as access to external governor training.

If you feel you can help in this capacity please contact the office for an application form which will need to be completed and returned to the school by 12.00 noon on Friday 13<sup>th</sup> June 2025.
