

Pink

Monthly Update

April 2026

This month

Pink class have had an amazing time visiting Broadlands Riding for the Disabled in Medstead, on Mondays.

We have developed our skills of travelling to a new place, wearing a riding hat, grooming the ponies and then learning to ride. The confidence of each of the children over the 6 week period was phenomenal – everyone made so much progress and was able to fully access and engage in the activity – it was brilliant to have such a great opportunity. Parents volunteered to come and support us – Thankyou so much for all your help to enable this trip out.

STAR OF THE MONTH

Eddie for wearing his riding hat when on the pony! Well done Eddie

Reminders

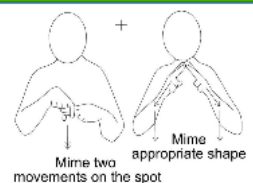

If your child has a communication book please can it be passed daily between home and school - we will also do our best with this as we all get into the routine of it too.

Sign of the Month:

Stable

Mime two appropriate shape movements on the spot
