

This month – APRIL

As part of our Aspire curriculum we are completing a unit of work based on being a wildlife ambassador.

Ecology

We are currently looking at the role of being a wildlife ambassador. This has included discussions on what habitats benefit garden and school plants and animals, including knowing the difference between flora and fauna. Students have completed outdoor jobs that will make the forest school area a good habitat for plants and animals

STAR OF THE MONTH

Peyton

For always putting in a maximum effort in her learning tasks

SCHOOL UNIFORM

Please ensure your child is wearing the appropriate school uniform on Tuesdays, Wednesdays and Thursdays.

- Navy or dark coloured PLAIN sweatshirt
- White t-shirt
- Black or dark coloured PLAIN trousers/leggings/tracksuit bottoms
- Shoes should be predominantly black and enclosed

Please ensure your child does not bring chewing or bubble gum to school.
