

April 2026

This month in Lemon Class

This month in Lemon Class, we have been learning about the story Red Rockets and Rainbow Jelly. We have explored brushing our hair, sensory play with jelly, and making rockets from reclaimed resources. We have had lots of fun exploring our new water pump in our garden, learning to share and take turns.

STAR OF THE MONTH

Louie – for great work eating his lunch in the school hall.

CARE

We are still enjoying lots of time outside. As the weather warms up, please ensure your child brings a sun hat to school.

DO YOU HAVE?

We would like donations of: plastic pots, seeds, and bulbs for our planting and growing activities in the summer term.
