

This month in Lemon Class

This month in Lemon Class, we have been continuing our learning about the story 'Red Rockets and Rainbow Jelly'. We are enjoying participating in the sensory story, especially wearing wigs and learning how to brush our hair! We have been learning to work together in our self-chosen activities, sharing resources.

STAR OF THE MONTH

Zaid – for using his imagination and creativity in creating different obstacle courses and using loose parts safely.

CARE

We are still enjoying lots of time outside. As the weather warms up, please ensure your child brings a sun hat to school.

DO YOU HAVE?

We would like donations of: plastic pots, seeds, and bulbs for our planting and growing activities in the summer term.
