# Monthly Update

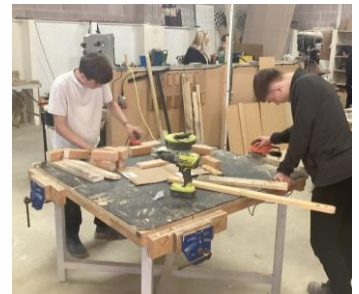

April 2026

## This month – APRIL

As part of our Aspire curriculum we are completing a unit of work on creating wildlife gardens.

### Horticulture

We have built a planter, prepared the soil for planting plants, planted herbs and strawberries and maintained the area by weeding and watering it regularly. We created a rota, so that everyone took part in caring for the plants. We have also planted seeds by reading the instructions. The seed trays have been on our windowsill in the classroom and have grown into seedlings. At the end of the month, we have re-potted the seedlings into larger pots.

### STAR OF THE MONTH

**Michael**

For expanding his vocabulary in speaking and listening activities

### SCHOOL UNIFORM

Please ensure your child is wearing the appropriate school uniform on Tuesdays, Wednesdays and Thursdays.

- Navy or dark coloured PLAIN sweatshirt
- White t-shirt
- Black or dark coloured PLAIN trousers/leggings/tracksuit bottoms
- Shoes should be predominantly black and enclosed

Please ensure your child does not bring chewing or bubble gum to school.
