

December 2025

This month

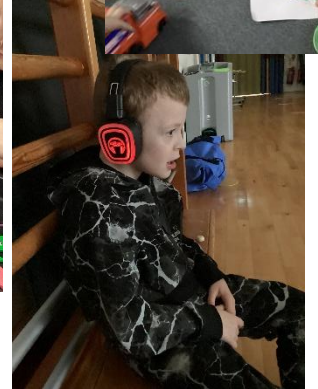

Silver class have had a very busy December with lots of fun activities!

We have enjoyed focusing on money during maths, all of Silver Class loved role playing with food and money. We made cheese twists and sold these at our café, we had lots of visitors from different classrooms! We then revisited our number focus, we made number bonds to 10 with a Christmas theme.

We have decorated our Christmas tree which was very exciting, some of us made decorations for our tree.

We had fun at the Christmas Pantomime, Christmas lunch, the silent disco and exploring the nativity story. We have made gingerbread biscuits, tree decorations, baubles, Christmas cards, letters to Santa and Christingles.

We definitely deserve a restful break and look forward to the new year!

STAR OF THE MONTH

Daniel
For his fantastic engagement during our decorating of the Christmas tree and for recognising that tree begins with a 't'.

CARE

If your child wears nappies please send in supplies. Please look out for reminders in their home-school book.

CHRISTMAS

Silver class all wish you a fantastic Christmas!
See you all soon
