

December 2025

## This month

Diamond Class has enjoyed a wonderfully festive December! The children explored a wide range of Christmas songs, learning a new one each day through both singing and signing. The children enjoyed the opportunity to sing and sign 'This Little Light of Mine' in the Christingle Assembly.

Throughout the month, communication lessons focused on the key concepts of "I want" and "Ready, 1, 2, 3," helping to reinforce these important skills across the curriculum.

The class also took part in a variety of Christmas craft activities, experimenting with different materials and techniques to create beautiful decorations and ornaments to share with their families. In addition, the children delighted in a range of snow-themed sensory tuff trays, providing plenty of opportunities for messy, hands-on fun and exploration.
