Update

November 2025

This month

We have been very active this month. Apart from our usual PE sessions, we also have the cricket coach and on another day the yoga teacher coming in. We enjoy cricket because we play different games and we practise our batting skills. In yoga we learn different breathing techniques and poses, we mostly like the relaxation at the end of the lesson!

STAR OF THE MONTH

Harvey – For good concentration in lessons!

Food Tech

If you would like your child to bring home what they are cooking in Food Tech, can you please send in a box? Thank you.
