

LEMON CLASS

This month, we have continued our Curricular Goal Learning, and explored lots of new activities. In our Creativity lessons, we have been exploring colour mixing with powder paint, and fixing items together using tape and glue. We all enjoyed our visit to Farnborough 360 this month, and had lots of fun with our Sports Day activities. In our food technology lessons, we have been making cornflake cakes, learning to stir the mixture and scoop the mixture into cake cases.
