

January 2026

This month

We have got off to a wonderful start for 2026. All students are settled and really showing how they are maturing into young adults

Aqua class have started off with a very busy start to the year, including swimming, horse-riding and working as Rangers for their DofE award.

In the classroom we are investigating renewable energies in Science, Sound effects in movie making for Digital life-style. We are also looking at how bringing wildlife into our gardens is beneficial.

STAR OF THE MONTH

Alfie – For overcoming anxiety about swimming and horse-riding and succeeding in both activities

CARE

Please could students taking part in outdoor activities come to school with clothing appropriate for the forecast weather conditions

SWIMMING

Please could those students who are swimming on Thursdays this month bring with them all the necessary swimwear, towel and clothing.
