

Monthly Update

January 2026

This month

Welcome back After the Christmas Break! It has been a fun and busy start to the half term. Our Topic is Space.

Pink Class have a Space topic this half term – We have been sharing texts such as 'Whatever Next' and 'Aliens Love Underpants' We have role played being Astronauts and enjoyed rockets in Attention Autism. We have created some sensory Moon art.

In Maths we have explored heavy and light using bucket scales and rice to fill them up. We took our learning outside and used giant balance scales to see which objects were heavy. In My cooking we have been learning how to independently carefully peel satsumas and bananas.

STAR OF THE MONTH

Theo: for great communication choosing between 2 pictures to select his TV programme choice

Spare Clothes

Reminder that the weather is not great at the moment and wellies in school and change of clothing is helpful please, if we get wet.

Sign of the Month: Moon
