

# Monthly Update

January 2026

## This month

Bronze has continued to have its broad curriculum and Year 11s have now started to go out every fortnight for D of E.

As you can see from the pictures, Bronze class has been going to Fast Forward every Monday and recently have been looking at track design and maintenance. On a Friday they have been going to APEX and have been building 3D cars. In school we have been making bird seed balls, ready for the RSPB bird spotting next week.

### STAR OF THE MONTH

Dylan for always having a positive outlook and a can do attitude.

### CARE

In this cold weather, could you please remember to send your child in to school in warm clothes and shoes.

### DUKE OF EDINBURGH

Every fortnight on a Wednesday morning, the Year 11 students go to Deadwater Valley, can you ensure they have waterproof clothing and boots.
