

January 2026

## This month

FE have welcomed new staff this month, Mrs Arnott as FE teacher and Ms Dawson to teach and support students.

Students have been discussing and looking at a variety of Sensory room equipment. We will be exchanging ideas with Blue class, particularly those pupils coming into FE in September. We are really looking forward to having our Sensory room completed which will be of great benefit to FE students.

**Making dragons at On Track to mark the Chinese New Year.**

### STAR OF THE MONTH

Arda – for being a good friend to all students and for always being happy to help during food tech

### Swimming

Could all students make sure they have their swimming kit in school for Wednesdays in case it is their turn to swim

FE are very pleased to be able to attend sessions at the Petersfield On Track centre!
