

Welcome to Aqua class's monthly newsletter.

Alton College

Aqua class have been taking part in a variety of activities this month including transition sessions at Alton College, D of E expeditions for the Silver group to the New Forest, Enterprise activities of making acrylic keyrings and employability skill sessions. Aqua class completed their gardening Unit by designing and planting up pots for the front of the school.

New Forest

Acrylic keyrings

Planting up our pots for the front of the school building!
