

## SILVER CLASS

We had the best time celebrating VE Day! We decorated our own bunting and biscuits, made our own spitfire planes. We had a lovely time sharing our party food and listening to the music that would have been played on VE.

In Creativity we have been looking at different artist such as We had fun making our artwork similar to the artists. We have also discussed which piece of art work we like best and why.

In explore time we have been focusing on working and playing with others
