

November 2025

## This month

Diamond Class has had an exciting, albeit chilly, November! The class delved into the book *Brown Bear, Brown Bear, What Do You See?*, which sparked creative activities where the children linked different colours with various animals. The fundamental communication concepts of "yes" and "no" were a key focus of the communication lessons throughout the month, reinforcing these ideas across the curriculum.

The class observed Remembrance Day by creating poppies using apple prints and red paint. They also enthusiastically participated in fundraising for Children in Need, with everyone wearing yellow and engaging in yellow-themed sensory activities.

To celebrate the changing season, Diamond Class participated in a variety of creative pursuits, including imaginative junk modelling crafts and engaging with fun, snowy sensory trays.

### STAR OF THE MONTH

Jake – for his kindness to others. Jake has been interacting well with his peers.

### CARE

If your child wears nappies please send in supplies. Please look out for reminders in their home-school book.

### PE

Diamond Class are loving having PE on a Tuesday – please continue to send them in their PE kit at the start of the day. Thank you!
