

Yellow Class

Our topic for last term, is local environment and School.

In Discovery we have learnt how to locate ourselves on a map of Hampshire. And we have marked on a map of Bordon places like Hollywater School, the supermarket, the library, etc.

In creativity we have learnt to make collages using different techniques such as watercolours or using different textiles or coloured papers.

In music we have learnt songs like "Give a little smile", "Can I help you" and we have also learnt to sing it using the makaton signs.

In PSHE we have learnt about being kind or unkind to people and how we should help our friends or family.

In RE we have learnt about the Jewish religion and also the Harvest festival.

In Food Technology, we have been working and practicing our skills to prepare breakfast independently. Preparing toast, spreading butter and jam, cutting cheese or pouring milk into a bowl of cereal.

We have continued to go to our Horse-riding lessons. The students are having a great time and Improving their core strength.

Happy Halloween and Welcome November!
