

# Update

October 2025

## This month

This month in Lemon Class, we were very lucky to have the Bubble Witch visiting us. We had lots of fun popping, chasing and making our own bubbles. We have also been exploring outside in different weathers and exploring the best clothes to wear for wet, dry and cold weather.

### STAR OF THE MONTH

Louie – for great work adapting to change in his daily routine in school.

### CARE

If your child wears nappies please send in supplies. Please look out for reminders in their home-school book.

### OUTDOOR LEARNING

We spend a lot of our day outdoors. As the weather turns colder, please ensure your child has suitable clothing for the outdoors.
