

Pink

# Update

October 2025

## This month

Pink class have been busy learning number to 10 in maths, counting sets of objects and using concrete objects to support us. Making our colour preferences known in creativity, to paint some sweet templates to decorate our gingerbread house. We used the house as a prop for our story – Hansel and Gretel. We have been developing our attention and concentration skills in our Attention Autism sessions with a range of exciting and motivating objects .

### STAR OF THE MONTH

**Albi – for great development with his transitions around school.**

### CARE

If your child wears nappies please send in supplies. Please look out for reminders in their home-school book.
