

This month

Silver class have had a very busy October!

We had a visit from the bubble witch where we could make our own bubbles.

We also practiced our role play skills with little city – we focused on our sharing and play skills during this.

We finished our Handa surprise book and found signs of autumn in the playground, we then did some creativity activities discussing what fruits we like and do not like. We have been focusing on 'who' and 'what' to make sentences for our story. They have loved this book!
