

October 2025

## This month

Diamond Class have had an engaging and productive October! The class enjoyed an exciting visit from the Bubble Witch, a hands-on experience where everyone could create their own bubbles. The children also enhanced their social skills, focusing specifically on sharing and collaborative play, by practicing role play skills during the "Little City" visit. Diamond Class have explored the book Handa's Surprise. This led to creative activities where the children discussed and expressed their preferences regarding various fruits. The concepts of "like" and "do not like" were a key focus of the communication lessons throughout the month, reinforcing these ideas across different activities. To celebrate the season, Diamond Class participated in a variety of creative pursuits, including completing numerous autumn-themed crafts and engaging with spooky sensory trays.
