

Silver class

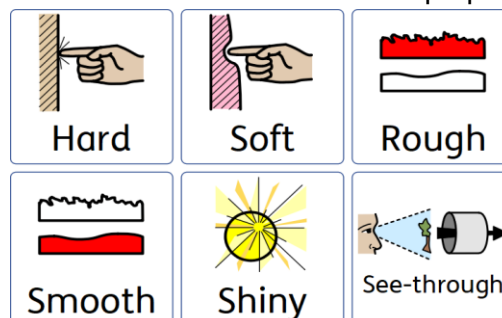

At the end of the spring term we had a visit from the Easter bunny, who gave everyone a small chocolate treat.

Our topic this half term is Fairy tales. We started our topic by reading the three little pigs and exploring the materials they used to build their houses.

In science we have started to look at the different properties of materials

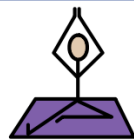

April 2023

Our new topic is fairy tales

Tuesday was our first pet therapy session. All the children were really gentle and quiet around Hope the dog.

Last Friday was our first yoga session. It was really relaxing and the children had lots of fun. Everyone had their own mat to lay on. We took our shoes off and turned the lights off.
