

Purple Class Monthly Update: June 2023

Purple Class pupils participate in a wide array of fun activities for Sports Day in June. The school grounds were transformed into a vibrant hub of energy as Purple Class pupils navigated through various stations. Pupils engaged in different activities like, sensory circuit, water relay, athletics, swimming, and dance.

Purple Class

In Science, we began exploring push and pull. Pupils engaged in a sensory activities practicing pulling and pushing and, pupils enthusiastically participate in hands-on activities, such as using magnets to pull objects, ramp to push cars down.

Purple Class pupils practiced using their cutting skills and being safe whilst using electrical equipment in Food Tech. With different levels of support, Purple Class pupils made a banana smoothie. It was delicious.

June was all about discovering our social skills and practice independence in our school life.
