Visiting colleges

1

After discussions with your child and school:

Speak to the attending colleges at Parent Consultations evenings

Attend open evening at your local college

Attend other colleges open evenings that offer the course your child is interested in

2

Visiting:

Take your child's EHCP plan with you

Take the Hampshire 'visiting colleges' guidance with you

Ask to speak to the Foundation Learning Department

Go to as many open evenings as you can

3

Applying:

Apply early in the Autumn Term of Year 11

Apply to more than 1 college

Apply for a course that is at your child's working level (ask the school if you not sure)

You can apply online

4

Interview and transition:

Colleges will ask for an interview

Colleges will confirm a place

Colleges should provide a transition session(s)

Inform school of where you are in the process, we can support you

Highbury College

Wednesday 3rd March 2021

You can access the virtual open event here: <https://www.highbury.ac.uk/virtual-open-event-june-2020/>

Ready to apply:

Find your course, register and then apply online

Application

When you attend the college open evenings you should have the opportunity to apply for the course of your child's choice.

You can apply online.

You will need an email address.

You will need to know the level your young person is working at – we can give you this information.

Most foundation learning courses are Entry Level 1 or 2 or 3 and will include the further study of English and maths.

These foundation learning courses are usually for 1 year.

Your young person will be invited to attend an interview – this is so staff at the college can ensure the course applied for is suitable, you can attend with them.

You can apply to more than one college.

If you would like to make an application, I can help you with this.

Visiting Park View

Park View

Manager: Stuart Vail

Deputy Manager: Tania Peckham

01420 82504

High Street Alton GU34 1EN

Park View Day Service provides specialist support to adults with complex needs to access community based activities that meet their needs and wishes. We identify outcomes with each individual based on factors such as likes / dislikes, being healthy and independence so that we can plan activities which meet these needs.

Activities undertaken include intensive interaction for people with limited communication, work experience, swimming, art, dance, music and bowling alongside outdoor activities such as shooting, archery, wall climbing and sensory walks.

All staff are trained in how to support people who have Autism and complex learning disabilities. This includes training in Skills for Care, Proact Scip UK, Makaton and Intensive Interaction. Park View Day Service is a purpose built facility which is fully accessible with changing facilities.

Referrals will need to come through the Independent Futures Team
