Hampshire County Councils' Local Authority (HCC LA) is responsible for the maintenance of all EHCPs of all the children at Hollywater School. The LA is responsible for arranging the special educational provision for the child and in considering the schools' suitability in finalising the EHCP. Where a school is named in the EHCP, the LA, has a duty to admit the child to the school.

As part of the EHCP process, parents and carers will be provided with a list of appropriate schools in the area from which to choose.

Further information can be obtained from the school or directly from Hampshire County Council LA.
