

All of the following data is taken from Department of Education performance tables which measure mainstream school progress:

The Department of Education require us to publish the following data:

- Progress 8 score (the progress a pupil makes from the end of primary school to the end of secondary school)
- Attainment 8 score (the achievement of a pupil across 8 qualifications including mathematics (double weighted) and English (double weighted), 3 further qualifications that count in the English Baccalaureate (EBacc) measure and 3 further qualifications that can be GCSE qualifications (including EBacc subjects) or any other non-GCSE qualifications on the DfE approved list)
- percentage of pupils who got a good pass in English and maths (this means pupils who achieved at least a grade C)
- percentage of pupils achieving the English Baccalaureate combination of subjects (this means pupils who got a GCSE grade C or above in English, maths, 2 sciences, a language, and history or geography)
- student 'destinations' (the percentage of students who continue in education or training, or move on to employment at the end of 16 to 19 study)
